

STOUT MOUNT CONSOLES

Unique double angle shape provides excellent visibility and superior comfort

- Strongest and safest mounting solution for your mobile office
- Versatile design for laptop or modular computers
- Low-profile mount system
- Compact design effectively utilizes crucial space
- Highly durable interlocking "U" steel supports the heaviest rugged computers and docking stations

Stout Mount Mobile Workstation in use

Fully Adjustable Monitor Mounting Brackets ensure easy viewing for driver or passenger via tilt-swivel features (C-SM-MMP)

Independent Keyboard and Monitor Brackets allow installer to customize positioning

Swing Arm Feature provides easy and comfortable positioning of keyboard or laptop (C-SM-SA-1)

Two-Piece Housing Design allows the Stout Mount to have the versatility of adjustable height (C-SM-830)

Low Profile Design allows driver a fast and safe exit via the passenger side

Modular Design Options:

- Slide out printer mount (C-PMS)
- Low profile console extension
- Cup holder (C-CUP2 Series)
- Arm rest (C-ARM-3-TM)

ANGLED CONSOLES

Sloped design maximizes comfort and room

- Ergonomically designed to make equipment easy to see, reach and operate
- Sloped design creates additional space between seats
- Provides maximum comfort and room for extra accessories
- Models in 25, 40 and 60 degree angles
- Ideal for light and medium weight computers and docking stations

Angled Console (C-AS-1725)

Wire Cover Panels provide a nice flush fit to your dash creating the perfect finishing touch and protecting console wiring (C-AS-WP-CV shown)

Monitor Mounting Platforms include fully adjustable mounting brackets making monitors easily viewable for driver or passenger (C-AS-MMP shown) (see page 10)

Conveniently Angled toward driver making vital equipment easier to see and reach (C-AS-1725 shown)

Storage Box/Arm Rest can be configured as a mini console for mounting less critical and overflow control heads. Provide handy storage space for ticket books, handheld radios and other equipment. Optional lock mechanism available (C-CB-1 shown)

12V Power Outlets provide additional 12V power outlets attached to the storage box

Trak-Mount Extension Plates provide a strong and stable platform for mounting accessories including cup holder and armrest (C-TM-CV shown)

Vehicle Specific Heavy-Duty steel hump mount brackets provide stability, a clean "trouble-free fit" and easy installation because they bolt to existing seat-mounting holes and require no drilling

COMBINATION BOXES

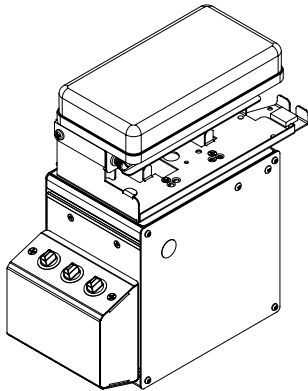

Combination Box w/ Hinged Armrest and (3) Lighter Plug Outlets

- 6" wide, 11.25" long (including lighter outlet box) x 9" deep, 2" thick molded rubber armrest pad for comfort
- The new design includes a modular (3) lighter outlet box with 15 amp in-line fuse and wire harness included
- 16 gauge formed steel housing with extruded aluminum top frame
- Designed to mount behind AS console to Trak-Mount base or to any flat surface
- No vehicle mounting kit required
- Recommended for Trak-Mount mounting
- Not recommended for weapon storage

7 lbs.

C-CB-1-3610-ARM

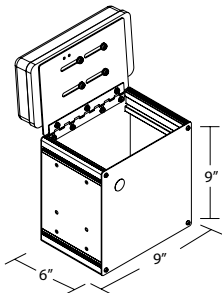

Combination Box with Removable Hinged Arm Rest, Printer Mount, and (3) Three Lighter Plug Outlets

- 6" wide x 9" deep x 13.5" high
- Lighter outlets include 15 amp in-line fuse and wire harness
- 16 gauge formed steel housing with extruded aluminum top frame
- Designed to mount behind AS console to Trak-Mount base or any flat surface
- No vehicle mounting kit required
- Recommended for Trak-Mount mounting

7 lbs.

C-CB-2

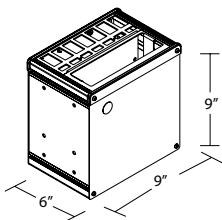

Combination Box/Removable Hinged Armrest

- 6" wide, 9" long x 9" high, 2" thick molded rubber armrest pad for comfort
- No lighter outlets
- 16 gauge formed steel housing with extruded aluminum top frame
- Designed to mount behind AS console to Trak-Mount base or to any flat surface
- No vehicle mounting kit required
- Recommended for Trak-Mount mounting
- Not recommended for weapon storage

7 lbs.

C-CB-690

Optional C-SP-3"
Switch plate shown

6" Console Combination Box Complete w/EB & FP

- Designed to hold control heads that are too deep for AS series console
- Includes filler plates (FP) and/or equipment brackets (EB) to completely enclose mounting area less internal mount options
- 16 gauge formed steel housing with extruded aluminum top frame
- 9" long, 9" high, 6" wide
- Designed to mount behind AS console to Trak-Mount base or to any flat surface
- No vehicle mounting kit required

ENCLOSED CONSOLES

The original Consolidator — a proven benchmark

- Enclosed Series Consoles are the original Consolidator Consoles
- Over 100,000 units sold since 1993
- High-strength extruded aluminum frame
- Easy height adjustment and installation
- Simple, modular mounting kits

Enclosed Console (C-3011)

Maplights with high-output halogen bulb and sliding red lens shown with side mount option (C-ML-MCB shown)

Laptop Computer Mounts
TM Series computer mounting bracket for laptops and docking stations. Swivels 85° (C-3090-2 shown)

12V Power Outlets and Switch Panels (C-LP-2 shown)

Wide-Diameter Internal and External Cup Holders (C-CHNY shown)

Unique “Slide Track” design with extruded side rails makes adding and positioning options and accessories simple and allows them to remain adjustable

Trak-Mount Base can be used alone to mount equipment or with a console to extend equipment mounting area and mount a mobile computer (C-TM-12 shown)

Vehicle Specific Heavy-Duty
Steel Hump Mount Brackets provide stability, a clean “trouble-free fit” and easy installation because they bolt to existing seat-mounting holes and require no drilling (C-B7 shown)

Note	Explanation
N1	Side switches must be moved
N3	Installer to drill mount holes
N5	Midland radios have 3 different styles; Syntec I (one or two piece), Syntec II (one or two-piece), and Syntec XTR. Syntec XTR has two different size one-piece control heads, and one two-piece head. Please specify which style.
N8	Too wide to fit inside standard console; mounts externally.
N10	Combo bracket for 2 heads.
N11	The C-EB40-MA9 allows access for control head on/off switch. C-EB35-MA9 and C-EB40-MA9-1P do NOT allow for control head on/off switch.
N12	Thin, flat clamshell-style control heads like Motorola A-3, or GE Ranger S-550 have round knobs which require access to both the top and bottom of the control face. The wire harness comes out of the top back portion of the head. Recess mounting this type of control head won't let you see it easily. Our brackets hold the control head up and out from the console approx. 1-1/2", allowing the knobs to be used, and the numbers on the control face to be visible to the driver.

Part Number

Weight

C-ARM

ARM RESTS

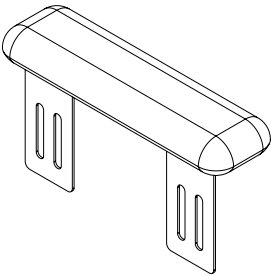

Top Mount Armrest

- Enhances officer comfort and efficiency
- Mounts over the enclosed console
- Adjustable height
- More durable than sewn pads
- 9.5" long x 2.75" wide molded rubber

2 lbs.

C-ARM-2

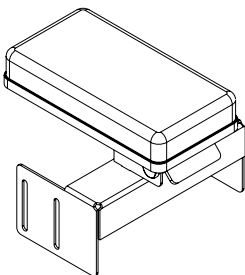

Side Mount Armrest

- Adjustable height
- Mounts to the side of the enclosed console
- More durable than sewn pads
- 9.5" long x 2.75" wide molded rubber

2 lbs.

C-ARM-3

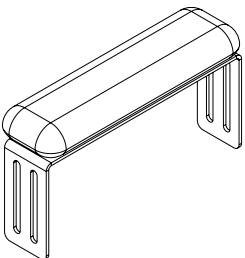

Flip Up Armrest

- Hinge allows quick flip up for access to essential equipment
- Adjustable height from 3.5" to 5.75" from top of arm pad to top of console housing
- Mounts in the rear of the enclosed console
- More durable than sewn pads
- 5.25" wide x 10" long molded pad

7 lbs.

C-ARM-4

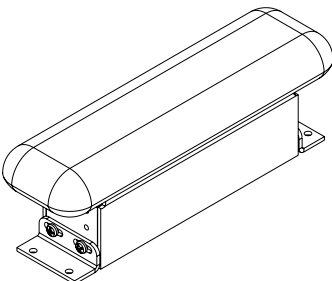

Top Mount Armrest

- Adjustable front to back
- Mounts in the rear of the enclosed console
- More durable than sewn pads
- 9.5" long x 2.75" wide molded rubber
- 2.25" fixed height above console top

2 lbs.

C-ARM-7

Internal Mount Armrest

- Adjustable height (2.19" min to 3.19" max)
- Mounts flush into a enclosed console
- 9" long x 2" high molded rubber armrest
- 2.75" wide rubber pad is more durable than sewn pads

5 lbs.

Consoles

Equipment Brackets
and Filler Plates

Console Accessories

Trak-Mounts

Computer Mounts

Switch plate shown

6" Console Combination Box & (3) 12 volt Lighter Outlets Complete w/EB & FP

- Designed to hold control heads that are too deep for AS series console
- Includes up to 6" of C-EB equipment brackets and C-FP filler plates
- The new design includes a modular (3) lighter outlet box with 15 amp in-line fuse and wire harness included
- 16 gauge formed steel housing with extruded aluminum top frame
- 11.25" long, 9" high, 6" wide
- Designed to mount behind AS console to Trak-Mount base or to any flat surface
- No vehicle mounting kit required
- See pgs C29-37 for optional console accessories

6 lbs.

C-CB-LOCK

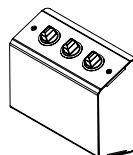

Cam style lock and key to secure equipment in combination boxes

- Must be ordered separately
- Not recommended for weapon storage

C-AB-LP3

ACCESSORY BOX OPTIONS

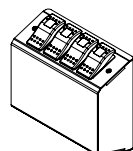

Accessory box with (3) lighter plug outlets

- 6" wide x 2-5/8" deep x 5-7/16" high
- Lighter outlets include 15 amp in-line fuse and wire harness
- Manufactured from 16 gauge formed steel
- Designed to mount on console or any flat surface

4 lbs.

C-AB-SW4

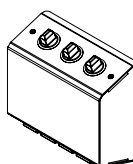

Accessory box with (4) switches

- 6" wide x 2-5/8" deep x 5-7/16" high
- On/Off black paddle type rocker switches with red pilot light
- Manufactured from 16 gauge formed steel
- Designed to mount on console or any flat surface

4 lbs.

C-AB-LP3-SW4

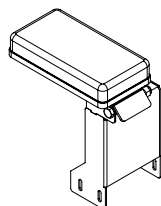

Accessory box with (3) lighter plug outlets and (4) switches

- 6" wide x 2-5/8" deep x 5-7/16" high
- Lighter outlets include 15 amp in-line fuse and wire harness
- On/Off black paddle type rocker switches with red pilot light
- Manufactured from 16 gauge formed steel
- Designed to mount on console or any flat surface

4 lbs.

C-ARM-10-TM

ARM RESTS

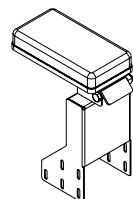

Armrest for Trak Mount with Hinged Pad

- Ideal for '06-07 Impala & '06 Charger applications
- Molded armrest that mounts to your Trak-mount base
- Arm rest gives you the convenience of a hinged top to provide quick access to vital equipment
- Pad size: 5.25" wide x 10" long
- Overall height: 11.75"

C-ARM-3-TM

- Molded arm rest that mounts to a Trak-Mount base
- Arm rest gives the convenience of a hinged top to provide quick access to vital equipment
- Pad size - 5.25" wide x 10" long
- Overall height: 13.5"

8 lbs.

TRAK-MOUNT MOUNTING BASE ACCESSORIES

Part Number**Weight****C-CUP2-E-TM****CUP HOLDERS****Dual External Cup Holder C-TM Series**

- Mounts externally to the top of your Trak Mount or any flat surface
- 3.875" Long x 7.938" Wide x 3" Deep
- Accepts cups up to 3.375" dia.
- Replaces multiple cup holders, including the C-CHNY-TM

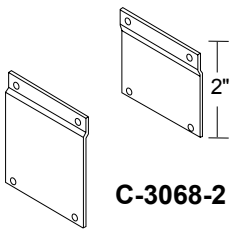

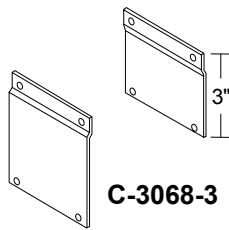

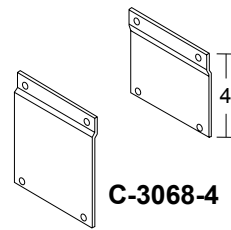

2 lbs.

C-3078**ADJUSTABLE TRAK SLIDE RAIL MOUNTING BRACKET**

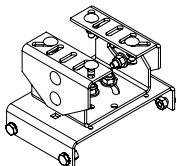

- Attaches to side slots of Trak Extrusion
- Can be used with C-3068 riser brackets for elevated platform (see below)

2 lbs.

RISER BRACKETS**C-3068-2****C-3068-3****C-3068-4**

- Pair of 2", 3", or 4" riser brackets used to position Trak-Mount Series computer mounting brackets to desired height

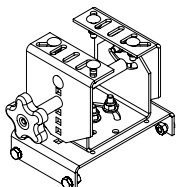

2 lbs.

C-3075-1**TM-SERIES COMPUTER MOUNTING PLATE BRACKETS**

- 85° swivel & 85° tilt
- Low profile
- Fixed 2.5" height

2 lbs.

C-3075-2

- 85° swivel & 85° tilt with locking knob
- High profile
- Adjustable 4" - 6.5" height

2 lbs.

C-3089-2

TM-SERIES LAPTOP MOUNTING PLATFORM

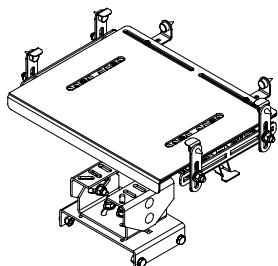

Includes a C-3090 computer mounting plate and a C-3085-2 mounting bracket used to mount to Trak-Mount base (TM-Series)

- Mounting bracket for laptop computers
- 85° swivel only (no tilt)
- High profile
- Fixed 2.25" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

10 lbs.

C-3090-1

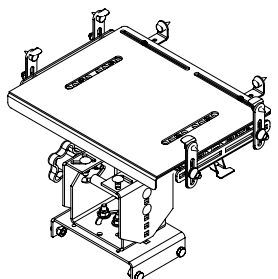

Includes a C-3090 computer mounting plate and a C-3075-1 mounting bracket used to mount to Trak-Mount base (TM-Series)

- Mounting bracket for laptop computers
- 85° swivel & 85° tilt
- Low profile
- Fixed 2.5" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

10 lbs.

C-3090-2

Includes a C-3090 computer mounting plate and a C-3075-2 mounting bracket used to mount to Trak-Mount base (TM-Series)

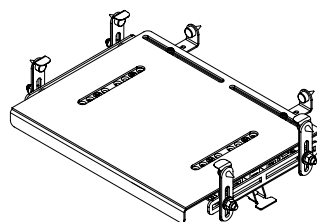

- Mounting bracket for laptop computers
- 85° swivel & 85° tilt with locking knob
- High profile
- Adjustable 4" - 6.5" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

10 lbs.

C-3090

UNIVERSAL COMPUTER MOUNTING PLATFORMS

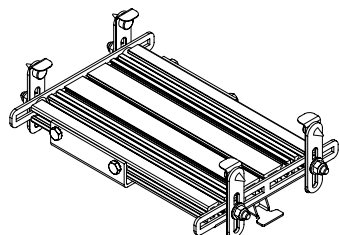

Laptop mounting plate features adjustable side support tabs allowing a maximum 2.25" of available height to mount laptop to the plate.

- Part number includes laptop mounting plate only
- Order tilt/swivel (C-3075 or C-3085) assembly and mounting base separately
- New 0.04" thick stainless side tabs makes closing the lid easier
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

7 lbs.

C-3090-N

Narrow laptop mounting plate features adjustable side support tabs that allow a maximum 2.25" of available height to mount laptop to the plate.

- 9.25" Minimum/13" Maximum laptop width
- Part number includes laptop mounting plate only
- Order tilt/swivel assembly and base separately
- New 0.04" thick stainless side tabs makes closing the lid easier

7 lbs.

TELESCOPING COMPUTER BASES

The fastest and easiest mounting system to install

For more information on
any of these products, call
1.800.524.9900 or visit
www.havis.com

- Over 30 vehicle-specific bases
- Ideal solution for limited space applications
- Height adjustable
- Dual articulating discs allow for lateral adjustment
- Configurable for many universal laptop, keyboard and docking station mounts
- Installs in most vehicles without drilling or cutting

C-TCB Series (Light to Medium Duty)

- **Computer Mounting Platforms** have fully adjustable mounting brackets making monitors easily viewable for driver or passenger via tilt/swivel features

- **Universal Computer Mounting Bracket** for laptops and docking stations. Swivels 85° (C-3090 shown)

- **Heavy-Duty Design** made of welded tubular steel. Mounts independently of a console. Backed by a lifetime warranty

- **Locking Knob** to set telescoping height

- **Articulating Swivel Arms** make it easy to position a computer where you want it. Made from 1/4" steel to provide stability

- **No Holes Drilled** — uses existing seat bolts in most vehicles for easy installation

HEAVY DUTY TELESCOPING COMPUTER MOUNTS

Part Number

HEAVY DUTY TELESCOPING COMPUTER MOUNTS

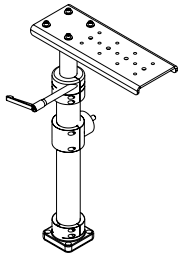

The C-PED Series Silver Billet Telescoping Computer Pedestal for Medium to Heavy Duty Trucks

- Super bright machined aluminum finish pedestal, bushing and side mounts for smooth, stable computer mounting
- Ideal for custom fire trucks, utility vehicles, ambulances and other heavy and medium duty vehicles
- Custom lengths available
- Ratcheting cam lock standard

Weight

C-PED1612-W2

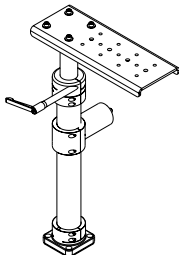

Silver Billet Telescoping Computer Pedestal

- 16" high in closed position, 26" high when fully extended
- 12" platform
- 2" offset
- 2.312" square mounting hole pattern
- Use with laptop mounts (C-3090 series), monitor mounts (C-3522), keyboard mounts (C-3329), or tilt swivels (C-3075 series)- optional, order separately

8 lbs

C-PED1612-W4

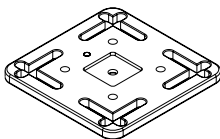

Silver Billet Telescoping Computer Pedestal

- 16" high in closed position, 26" high when fully extended
- 12" platform
- 4" offset
- 2.312" square mounting hole pattern
- Use with laptop mounts (C-3090 series), monitor mounts (C-3522), keyboard mounts (C-3329), or tilt swivels (C-3075 series)- optional, order separately

8 lbs

C-PED-PLT

Optional Support Plate for Silver Billet Telescoping Computer Pedestal Mount

- 5.5" square base plate for Trak-Mount application

1 lb

UNIVERSAL COMPUTER MOUNTING PLATES WITH MOUNTING BRACKETS

Weight

Includes a C-3090 computer mounting plate and a C-3082-1 mounting bracket

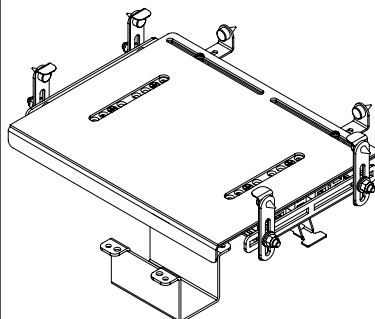

- Universal mounting bracket for laptop computers
- Used to mount to telescoping computer base (TCB p.C52-57) or Stout Mount swing arm (C-SA p. C2)
- 360° Swivel only (no tilt)
- Low Profile
- Fixed 2.12" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

7 lbs.

C-3089-4

Includes a C-3090 computer mounting plate and a C-3082-2 mounting bracket

- Universal mounting bracket for laptop computers
- Used to mount to telescoping computer base (TCB p. 52-57 or Stout Mount swing arm (C-SA p. C2)
- 360° Swivel only (no tilt)
- High Profile
- Fixed 3.62" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

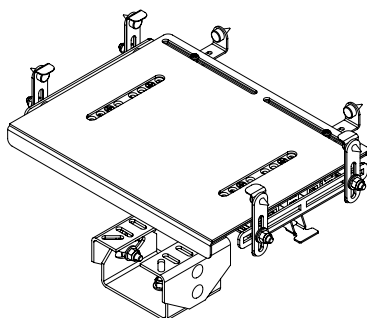

7 lbs.

C-3090-3

UNIVERSAL COMPUTER MOUNTING PLATES WITH TCB MOUNTING BRACKETS

Includes a C-3090 computer mounting plate and a C-3075-3 mounting bracket

- Universal mounting bracket for laptop computers
- Used to mount to telescoping computer base (TCB p. 52-57) or Stout Mount swing arm (C-SA p. C2)
- 360° Swivel & 85° tilt
- Low Profile
- Fixed 3.87" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

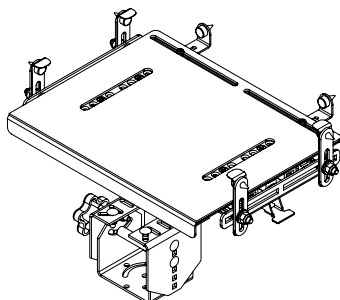

9 lbs.

C-3090-4

Includes a C-3090 computer mounting plate and a C-3075-4 mounting bracket

- Universal mounting bracket for laptop computers
- Used to mount to telescoping computer base (TCB p. C52-57) or Stout Mount swing arm (C-SA p. C2)
- 360° Swivel & 85° tilt with locking knob
- High Profile
- Adjustable 5.37" - 7.87" height
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

9 lbs.

UNIVERSAL COMPUTER MOUNTING PLATFORMS

Part Number

C-3090

UNIVERSAL COMPUTER MOUNTING PLATFORMS (ONLY)

Weight

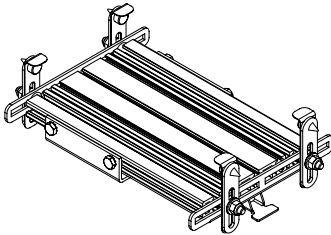

Laptop mounting plate features adjustable side support tabs allowing a maximum 2.25" of available height to mount laptop to the plate.

- Part number includes laptop mounting plate only
- Order tilt/swivel (C-3075 or C-3085) assembly and mounting base separately
- New 0.04" thick stainless side tabs makes closing the lid easier
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

7 lbs.

C-3090-N

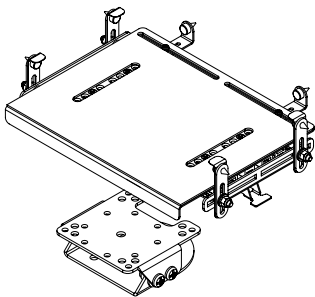

Narrow laptop mounting plate features adjustable side support tabs that allows a maximum 2.25" of available height to mount laptop to the plate.

- 9.25" Minimum/13" Maximum laptop width
- Part number includes laptop mounting plate only
- Order tilt/swivel assembly and base separately
- New 0.04" thick stainless side tabs makes closing the lid easier

7 lbs.

C-3090-7

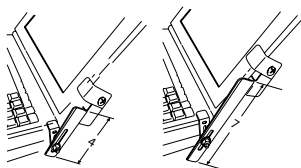

Laptop Platform with Tilt/Swivel C-3065-3

- Universal mounting bracket for laptop computers
- Includes a C-3090 computer mounting plate and a C-3065-3 mounting bracket
- Laptop mounting plate features adjustable side support tabs that give up to 2.25" of available height to mount laptop to the plate. (.80" minimum)
- Used to mount to telescoping computer bases (TCB)
- 360° swivel and 85° tilt
- Low profile, fixed 2.5" height

7 lbs.

C-SS, C-SS-2

LAPTOP SCREEN SUPPORTS

- Laptop screen support
- Adjustable 4" or 7" support arm
- Fits most laptop computers

C-SS 7" laptop screen support

C-SS-2 4" laptop screen support

1 lb.

KEYBOARD AND MONITOR MOUNTS

OTHER COMPUTER SPECIFIC MOUNTS DATA 911

Part Number
C-3522-911-3**Weight****Data 911 MDS 2000 3rd Generation Monitor Mount**

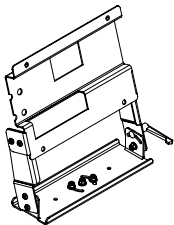

- Quick release knob to fold closed for storage
- Folding angles from flat to 40° past straight up for a total of 130° travel
- Used with Angled Series Consoles & C-TCB bases
- Slotted for 85° swivel

5 lbs.

Note: The first generation of Data 911 monitor is 10.4" diagonal, black housing, with screen off center - use Monitor Mount Part # C-3522-911

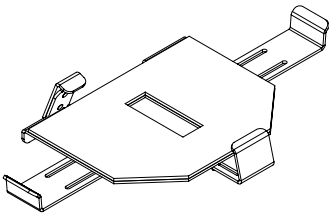

The second generation of Data 911 monitor is 12.1" diagonal, black housing, with screen centered in housing - use Monitor Mount Part # C-3522-911

The third generation of Data 911 monitor is 12.1" diagonal, gray housing, with screen centered in housing

C-3522-911-15**Data 911 MDS 2000 3rd Generation Monitor Mount**

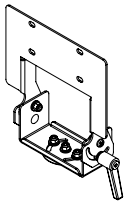

- Fits 15" monitor
- Quick release knob to fold closed for storage
- Folding angles from flat to 40° past straight up for a total of 130° of travel
- Used with Angled Series Consoles and C-TCB Bases
- Slotted for 85° swivel

5 lbs.

C-3329-UNV

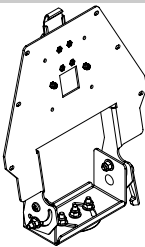

- Fits Motorola MW-520, Data 911 & Litton (L3) Keyboard all of which use either the (TIPP) Texas Industrial Peripheral or TG3 keyboard
- Adjustable to accommodate keyboards that fall within the following measurements:
 - Minimum Size Keyboard: 10" wide x 6.25" front to back x 1" high
 - Maximum Size Keyboard: 14.5" wide x 8.5" front to back x 1.5" high
- Mounts to end of most manufacturers consoles w/plate or adjustable TCB telescoping computer base
- Spring loaded release designed for one-handed removal
- Use with swivel adapter bracket C-3085-UN-1 (page C69) or tilt swivel C-3075-3 (page C60)

3 lbs.

C-3522-XPT**MONITOR MOUNT ASSEMBLY FOR XPLORE TECH iX104****For Model iX104 Tablet PC**

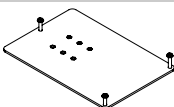

- Xplore Technologies Monitor Mount
- Quick-Release knob to fold closed for storage
- Folding angles from flat to 40° past straight up for a total of 140° travel
- Used with Angled Series (AS) Consoles and C-TCB bases
- Slotted for 85° swivel

COMPUTER MOUNTING ACCESSORIES

Part Number

Weight

C-3090

UNIVERSAL COMPUTER MOUNTING PLATFORMS (ONLY)

Laptop mounting plate features adjustable side support tabs allowing a maximum 2.25" of available height to mount laptop to the plate.

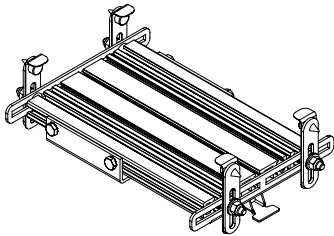

- 11.5" minimum/15.5" maximum laptop width
- Part number includes laptop mounting plate only
- Order tilt/swivel (C-3075 or C-3085) assembly and mounting base separately
- New 0.04" thick stainless side tabs makes closing the lid easier
- Width: 11.5" Min., 16.75" Recommended, 17.5" Absolute Max

(shown with tilt/swivel assembly)

7 lbs.

C-3090-N

Narrow laptop mounting plate features adjustable side support tabs that allows a maximum 2.25" of available height to mount laptop to the plate.

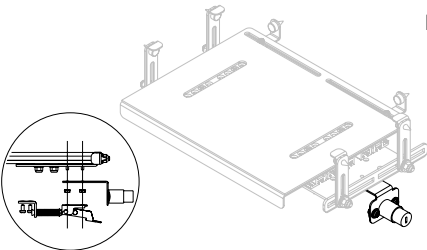

- 9.25" Minimum/13" Maximum laptop width
- Part number includes laptop mounting plate only
- Order tilt/swivel assembly and base separately
- New 0.04" thick stainless side tabs makes closing the lid easier

(shown with tilt/swivel assembly)

7 lbs.

C-TMLOCK

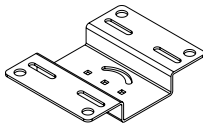

Lock for laptop computer C-3090 & C-3490 application

- Provides additional security to deter removal of laptop
- Includes plunger type lock with key
- Easily installed to laptop computer mounts

1 lb.

C-3259

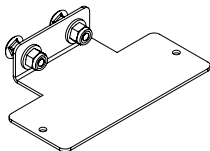

- Universal plate to mount Troy or Gamber products to C-3075 or C-3085 tilt swivel series
- Use with transmission hump base plate

2 lbs.

C-CSR-1

CARD SWIPE READER BRACKET

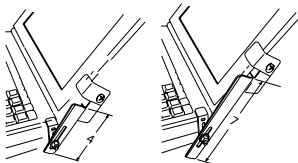

- Card swipe reader bracket for mounting on the side of all C-3090 and C-3490 laptop mounts

1 lb.

C-SS, C-SS-2

TRUNK MOUNTED RADIO TRAYS

Part Number

Weight

C-3190

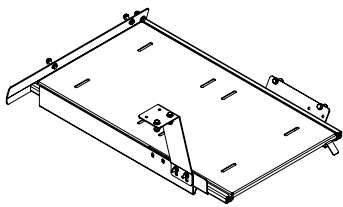

For 1995-2008 Ford Crown Victoria (Driver Side)

- Welded one-piece frame
- Mounts per Ford 2003 CVPI.com guidelines
- Spare tire stays in OEM Mount
- 9" clearance deck to shelf
- Maximum weight carrying rating: 75 lbs.
- Equipment mounting surface 15" wide x 27.5" deep
- Black powder coated 14 gauge steel
- Easy to use slide and latch
- Ships motor freight when ordering 6 or more

29 lbs.

C-3190-P

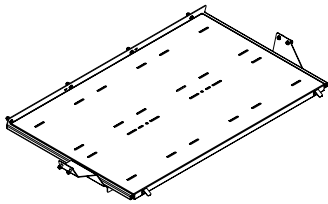

For 1995-2008 Ford Crown Victoria (Passenger Side)

- Welded one-piece frame
- Mounts per Ford 2003 CVPI .com guidelines
- Spare tire must be removed from OEM Mount
- 9" clearance deck to shelf
- Maximum weight carrying rating: 75 lbs.
- Equipment mounting surface 15" wide x 27.5" deep
- Black powder coated 14 gauge steel
- Easy to use slide and latch

29 lbs.

C-3190-F

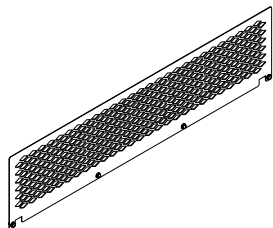

For 1995-2008 Ford Crown Victoria

- Full Width Tray
- Welded one-piece frame
- Mounts per Ford 2003 CVPI.com Guidelines
- Will accept spare tire mounted on tray
- 10" clearance deck to shelf
- Maximum weight carrying rating: 100 lbs.
- Equipment mounting surface 43.5" wide x 27.5" deep
- Easy to use slide and latch
- Ships motor freight

40 lbs.

C-3190-F-EG

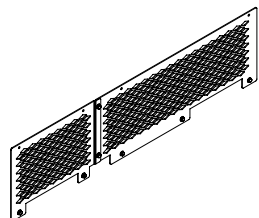

Equipment Guard for Full Size Trunk Mounted Radio Tray

- 42" Wide x 10" High
- Bolts to C-3190-F Radio Tray
- Perforated 14 gauge steel
- Guards equipment on tray from other objects
- Black powder coat finish

5 lbs.

C-TTB-EG

Equipment Guard for Full Width Trunk Tray

- 42" wide x 10.875" high
- Bolts to C-TTB-F-CV trunk tray
- 2 piece design allows for driver side access to tray mounted electronics
- Perforated for air flow
- Guards equipment on tray from other objects
- 12 guage steel
- Black powder coat finish

TRUNK MOUNTED RADIO TRAYS

By: Havis-Shields

Part Number C-3311

Weight

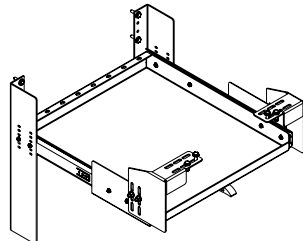

For 2000-2005 Chevrolet Impala (Full Width).

- Easy to use slide and latch
- Allows access to OEM spare tire mount
- Adjustable height (7"-10" clearance in 1" increments) deck to shelf
- Maximum weight carrying rating: 100 lbs.
- Equipment mounting surface 31" wide x 19" deep
- Black powder coated 14 gauge steel

40 lbs.

C-3311-18

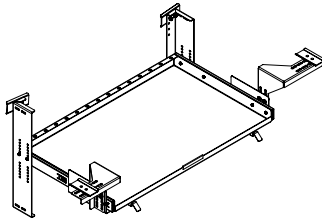

For 2000-2005 Chevrolet Impala (half-width)

- Easy to use slide and latch
- Allows access to OEM spare tire mount
- Adjustable height (7"-10" clearance in 1" increments) deck to shelf
- Equipment mounting surface 17.5" wide x 19" deep
- Black powder coated 14 gauge steel

29 lbs.

C-3311-2

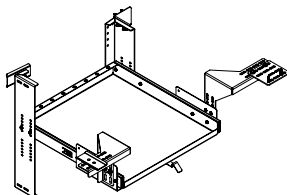

For 2006-2008 Chevy Impala (full width)

- Easy to use slide and latch
- Allows access to OEM spare tire mount
- Adjustable height (7"-10" clearance in 1" increments) deck to shelf
- Equipment mounting surface 31" wide x 19" deep
- Black powder coated 14 gauge steel
- Ships motor freight when ordering 4 or more

40 lbs.

C-3311-18-2

For 2006-2008 Chevrolet Impala (half-width)

- Easy to use slide and latch
- Allows access to OEM spare tire mount
- Adjustable height (7"-10" clearance in 1" increments) deck to shelf
- Equipment mounting surface 17.5" wide x 19" deep
- Black powder coated 14 gauge steel

29 lbs.

C-3311-EG

Equipment Guard for Trunk Tray Bearing Slide for '00-07 Impala and '06-07 Charger

- Equipment guard for full size trunk mounted radio tray
- 31" W x 10" H
- Bolts to C-3311, C-3311-2, and C-TTB-CHGR radio trays
- Allows access to OEM spare tire (Full size or temp. spare)
- Guards equipment on tray from other objects
- Black powder coated perforated 14 gauge steel

C-3311-RETRO-2

2006-2008 Chevy Impala Radio Tray Transfer Bracket Kit

- Transfers 2000-2005 Impala C-3311 to 2006-2007 Impala C-3311-2

C-3311-18-RETRO-2

2006-2008 Chevy Impala Radio Tray Transfer Bracket Kit

- Transfers 2000-2005 Impala C-3311-18 to 2006-2007 Impala C-3311-18-2
